

## Ultra Smooth Skin

Lisa Williams is defying age with passion, knowledge, and artistry

In the world of aesthetics, where the pursuit of timeless beauty meets advanced technologies, Lisa Williams is an example of expertise and innovation. As the Owner of Ultra Smooth Skin, Lisa is a Certified Nurse Practitioner with a Bachelor's degree in Nursing and Business, triple degreed, and holds a Master's degree in Nursing,

At Ultra Smooth Skin, the emphasis is on passion, knowledge, and artistry – three pillars that define Lisa and her team's approach to helping clients defy age and look and feel their best. The passion for their work is evident in their commitment to making people look younger with a healthy appearance that lasts for years. For Lisa and her team, every client is a unique canvas, and the practice of facial and body aesthetics is akin to performing art. "We love what we are doing, becoming hyper focused and bringing joy to our clients," she says. "Helping other is a big part of our lives."

The extensive list of services

provided by Ultra Smooth Skin reflects their dedication to comprehensive care. From Botox and Dysport to advanced treatments like Microneedling Pixel RF and Coolsculpting, the clinic offers a range of options designed to address individual needs.

As a mentor, trainer, and national trainer in laser medicine, Lisa has shaped the growth of her clinic establishing Ultra Smooth Skin as an authorized training school certified by the Arizona Department of Health.

The dynamic nature of the aesthetic industry is not lost on Lisa. She recognizes the growing trend of people seeking aesthetic services, making it more commonplace than ever. To stay adaptable and innovative, Lisa invests in new devices proven to be safe and effective, such as the IQ fast laser hair removal machine.

What sets Ultra Smooth Skin apart from competitors is the team's years of training and experience, enabling them

to provide effective, compassionate, and safe care. Their dedication to learning and staying informed is reflected in their ability to offer natural-looking facial rejuvenation.

Ultra Smooth Skin continues to innovate with the introduction of Juvederm Skinvive injections, a solution that safely diminishes the effects of aging under the eye area. Additionally, the clinic offers procedures to slim the masseters, addressing both aesthetic concerns and providing relief for those who clench and grind their teeth.

When asked about her motivation, Lisa attributes her drive to a strong work ethic and a genuine desire to help others. This commitment to making a positive impact is further emphasized by Ultra Smooth Skin's recognition as a "Black Diamond" BOTOX® Cosmetic and Juvederm Provider, ranking in the top 1% nationwide.
